Dear Artist, Architect:

December 26, 1986

Thank you for participating in the upcoming exhibition "FUTURE of STOREFRONT". This letter is to remind you about the materials needed from you for this exhibition.

1. Portfolio

A comprehensive documentation of your projects, works, writings, drawings, reviews, and other informations. Also include your biography, and a sheet of 35mm slides. A standard size of 8½ by 11 inches is preferred. If your portfolio is larger or smaller please call us immediately.

2. An Original Work

A work that best represents your total work, and be a powerful prelude to your portfolio. All original works will be mounted on the wall, and should not exceed 36 inches in width and 48 inches in height. If your work must exceed this size or 3-Dimensional, please call us. All materials should be postmarked by January 2 or hand delivered to STOREFRONT by January 4, 1987.

Benefit Program

Due to our financial difficulties as a not-for-profit organization, we need your support by donating art work(s) to sell as a benefit program. For those artists and architects whom have yet contributed work(s) for this benefit program, please bring work(s) that have strong marketable potential with affordable price. Smaller work are encouraged for our display and storage purpose. We also encourage you to bring additional works for sale at STOREFRONT, which we can share the revenue 50/50 with you. We hope you will understand our need to generate financial support to carry on our program, and such activity will be beneficial to both of us. Please bring benefit work to STOREFRONT as soon as possible, as you will see the following Benefit Party& Auction is already scheduled.

Benefit Party and Auction

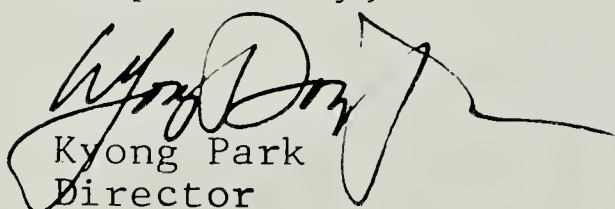

STOREFRONT invites you to a Benefit Party/Auction to begin our new year at January 3-4 (Sat, Sun), 1-6 P.M. This gathering is to sell the available works of artists and architects to raise our operating fund, and also to thank you all for helping us so much in the recent time. Any works purchased will be tax deductible, and we hope you can invite many of your friends who can be potential collector.

Notification of the Exhibition "FUTURE of STOREFRONT"

A poster which announces the exhibitions "RETROSPECTIVE of STOREFRONT" and "FUTURE of STOREFRONT" has already been sent out to our 3000 mailing lists in late November. However, we encourage you to mail the included announcement to your friends to update this event. Please make a record of the names and the addresses of your own mailing, as this list can be added to STOREFRONT's mailing list in the future.

Perhaps this letter requests too many assistances from you during this busy holiday season. However, STOREFRONT itself is working harder than ever to maintain this collective organization, from which we all can benefit from.

Respectfully,

Kyong Park
Director
